Genoa Wins "Lhude"!! MACHIAVELLI Begins!

Congratulations go to Rick Copeland on his second victory in AGE OF RENAISSANCE in these pages. Mark Frueh gave him a run for the money, trailing by 241 VP.

We begin our first game of MACHIAVELLI this issue, with an international cast no less. They've mercifully made it simple for me by not agreeing on any Optional Rules. Check it out on the bottom of p 3.

The Chattanooga Rulgaming Challenge was a bit less structured than I'm used to, having been a chess TD, but was still a good time. I roomed with Mark Frueh, met ex-Boriser Mike Quist, and 1830 legend Russell deCastongreene. Played AGE OF RENAISSANCE (twice), 1830, 1870 (a 9 hr marathon), RAIL BARON, and SILVERTON -- a lot of gaming for \$25. The 6.5 hr solo drive back was a bit rough, though.

We recently received news of the death of Don "Count von" Patrick last September. Don won both "Boris II" and "Boris III" as Austria, but bad health prompted him to retire from active play. We jhad hoped to entice him back for a Tourney of Champions", pitting all the "Boris" series winners or to get him to attend WBC for a DIPCON, but frequent dependence on dialysis prevented his trailing. Alas, the opportunity has eluded us. *Requiescas in pace*, old friend.

STANDBY ALERT! The following position might be available--send orders to try for it.
"Boris XIV"-- Germany (Wayne Morrison has first dibs)

ERRATA: Russian A UKR was not dislodged, so Turkish (A Rum-Ukr).

The Concession vote failed: 1 (NMR = yes), 2 (NVR = yes), 3 (nay).

MIRKWOOD: The curtain is close to falling for Russia, Germany, and Italy. The Turks have units in position to rtake WAR and finish off the Tsar, but is BUD the real target? Unless a saviour arises, Germany is helpless to halt vivisection by the Brits and French. Italy can at least guarantee survival in TUN or could gamble on GRE (also a possible Turkish goal) or NAP. Verrrry interesting.

EMBASSY BEAT

Sultan ali-Ron, potentate of the Turkish Empire, announced a world tour to demonstrate Turkey's growing presence as a Naval power. The Home fleet will visit the new Turkish resort city of Sevastopol while the High Seas Fleet commanded by the recently purchased, formerly German Cruiser Golbem, will investigate the troubles around Italy and the new southern fleet will show the flag in the Eastern Med. Our triumphant armies will continue to liberate peoples formerly oppressed by the Tsar and try to find more of those delightful little jeweled eggie-things the Sultan finds so amusing.

DUKE OF LANCASTER TO MOWBRAY: Looking for Henry? Well, you have found me instead! Why not stop and chat with me for a while -- OR DIE!!!

MINAS MORGUL: Austria is the first, but surely not the last, to feel the boot of a foreign invader thudding on her soil. Save for that Russian army marching to the succor of fellow Slavs in SER, the powers seem more concerned in bringing recalcitrant minor allies into line.

BORIS WORLD PRESS REVIEW

Germany to all: What ve haif here ist chust die pfailure to kommunikate!

Italy to France: Peace, love and harmony.

Rumor has it that there are emissaries from France wheelin and deelin with Turkey and that the emissaries in England came home due to canceled negotiations by the English. Appears the english government was too busy over the last month to hold any in-depth nrgotiations.

Rumor has it the French are trying to spread thier wonderful litiature and art through Europe.

The vote for concession to Japan fails 3 yea, 1 NVR (= yea), 3 nay. Victory is 24 centers.

CLIFFHOME: The Chinese are now helpless in the face of the Japanese tsunami racing across East Asia. The Russians were betrayed by their erstwhile British allies. The Dutch remain even while the Brits pick up a center from the failing French. The question of the hour is whether the Brits, French and Dutch patch together a defense against the tsunami, or will they go down separately? Then too, does the resurgent Jihad have enough time to enter the equation before Tokyo settles the matter.

Corrections:

Iberia had instructed me to tax at \$3/city, and had considered that with his expansion orders. My error: I have corrected his taxes and expansion.

Egypt also pointed out that I had stated that he had traded in 5 Oil, but he had traded in 8. He also pointed out that the card count for stack 8 was wrong. The errors are corrected in this adjudication.

Movement:

King Henry w/ Margaret @ Coventry. LEFT SITTING UNCONTROLLED INSIDE.
 Courtenay @ Rye, sails on Le Christopher from Weymouth - S18 - S17 - S15 - S13 - Penzance.

 Pole @ H36, - Bath - H31 - H21 - Kenilworth(c).

COMBAT: At St. Albans: The Duke of Lancaster tangles with Mowbray. The Event Card drawn is Embassy, King to Rochester 3:2, and the combat is indecisive. **SIEGE:** THERE WAS MORE THAN ONE ORDERED AT KENILWORTH, but as none of the forces ACTUALLY ordered Combat against others, (by Belligerent status towards others), there was no Siege. There can not be more than one force trying to Siege at a time.

Royal Heirs: Edmund is in Ireland, Edward of Wales is in Kenilworth, Edward of March is in Harlech, Richard of Gloucester is dead. King Henry, Margaret, King Richard of York, & George are as listed above.

- 3 Scots Raid: Warden of the Northern Marches to Berwick
- 4 Event Card: to Avegevin
- 5 Plague: Norwich & Lynn

At this Point, The Blue Meanies Call Parliament, Serving a Writ on Stanley. Parliament is Called for Carlisle. What happens now? OK.....

1. Every player must tell me if they want to send all, some, or none of their nobles to the Parliament. Besides telling me which Nobles will go, please tell me if you want to play other cards now in your hand so those votes will count.
2. Once it is known how many Nobles are going, the GM will tell The Blue Meanies what cards are available for distribution thru voting.
3. All players will also vote, even if they are not at Parliament, on who they want to be Sole King, Henry or Richard.
4. After that Vote, the GM will give the first list provided by the Blue Meanies for player votes.
